Product Name
Wall mounted intelligent toilet

Heating method
Instant heating

Power Cord
1.5m 3-hole socket

Product size
540x400x355mm

Theme Material
ceramics

Drainage method
Wall Outlet

Seat width
73mm

Flushing method
Jet siphon

Rated voltage
AC220V/50Hz

Installation pit distance
305/400/Other

Water pressure limitation
No water pressure limitation

Water supply method
Direct connection
